

Praying for the Preborn

The plight of our preborn neighbor is well known among Southern Baptists, yet we rarely receive accurate information and therefore rarely pray for them as we should. Please pray about:

Abortion Tourism

The Dobbs decision has created hot spot destination states for those willing to travel for abortions. Local churches are often overwhelmed and/or caught off guard to meet the challenge.

Self-managed, at Home Abortions

Post-Dobbs, pill abortions are on the rise with access getting easier all the time. Little is being done about this.

Bills to Abolish Abortion

Bills to establish equal protection and justice for the preborn are being filed, but are consistently being killed -often by Pro-life lobbyists.

Abortion Apathy

Every Christian should be engaged in the effort to protect the most vulnerable among us, but too few pastors and churches even have the issue on their radar.

Misinformation

Misinformation abounds from both Prolifers and abortion advocates. Sadly, this discourages many Christians from getting involved.
